# 7th grade words

1. Poise- (noun): to have balance, composure, or self-possession (control)

Ex: Dancers have great poise and grace.

2. Liberate- (verb): to set free, release, or to give freedom.

ex: College students feel liberated after graduation.

3. Tempt- (verb): to persuade, try and get someone to do something.

Ex: The thief tried to capture the dog and tempted it with a treat.

4. Intuition- (noun): based on a feeling, going 'with your gut', trusting your instincts

Ex: Jill used intuition to solve the crime, rather than evidence.

5. Inarticulate- (adj): not able to speak, or speak well

Ex: His speech was inarticulate, it was hard to understand.

# Curriculum Words

6. Compliant- to agree to rules, or expectations

EX: Luckily, the store owner was compliant during investigation.

7. Extensive- a large amount, or something that has a full range

EX. Experts do extensive research on their focused topic.

8. Relevance- something having relation to another, having a connection

EX. That story had no relevance to today's lesson.

9. Distinction (distinct)- having or noticing differences between things.

EX. Bonfires have a distinct smell.

10. Imminent- something is happening soon, or is bound to happen.

EX: Without more business, the store's closing was imminent.

11. Impose- using authority to force change, or interrupt routines

EX: The jail guard imposed many rules to keep inmates safe.

12. Subtle- being hard to notice or differentiate OR being clever, undetectable

EX: There's a very subtle difference between shades of pink.

13. Falter- to weaken, hesitate, or stumble

EX: "During your speech do not falter, have confidence!"

14. Disfigured- having a damaged, or broken appearance

EX: Very old buildings begin to look disfigured as they age.

15. Synthesize- combining multiple things to make something new

EX: He synthesized his old and new research to form his theory.
