## WE'LL ONLY DO DEFINITIONS BECAUSE OF THE # OF WORDS..

1. **Radiate**: To send out rays, to beam or shine
2. **Delinquent(s)**: Person/people (especially young people) who commit a crime.
3. **Manslaughter**: Unlawfully killing another human *without* planning in advance

4. **Brawn:** Strength, or physical power.

5. **Recurring:** something happening again and again

6. **Aghast:** shocked, horrified, terrified

7. **Exploit-** (this context) a daring act, or heroic deed.

8. **Faltered-** speaking hesitantly, stammering

9. **Underprivileged-** not having social and/or economical benefits of others. Typically connected with financial income.

10. **Conformity**- acting according to general rules/standards, to conform.

11. **Ruefully**- regretfully, sorrowfully

12. **Leery**- wary, suspicious

13. **Taut-** something having no slack, being pulled tight.

14. **Contract-** to draw something together, to shrink (contractions during birth)

15. **Stupor-** a state of mind of dazed and senses are dulled

16. **Divert-** to be drawn another direction, off course

17. **Stricken-** tortured, agonized, heartbroken

18. **Delirious-** wildly irrational, mentally unstable

19. **Guardian-** a protector, someone who watches over someone else

20. **Liable**- likely to have done something, being legally responsible.

21. **Acquitted**- to be set free after being proven innocent with evidence

22. **Veered**- shifted from one direction to another

23. **Welled-** the raise of emotions and becoming more intense.

24. **Vast-** something being great in size

25. **Idolized-** to adore and/or, blindly admiring someone

26. **Clad-** to cover or coat something, to be covered by clothing

→ They were clad in T-shirts and shorts.

27. **Flinching-** to quickly withdraw away from something

28. **Vacuum-** state of emptiness, to feel a void
