4. Immense	9. Voice	15. Effect
5. Repress	10. Flashback	
	11. Transition(s)	

# 7th grade words

1. **Intertwine-** *verb.* to unite or combine, often by twisting  
ex: My shoelaces became tangled, and intertwined.
2. **Illuminate-** *verb.* to give light to OR to explain or make clear  
ex: The room was illuminated by a lamp. OR  
ex: My teacher illuminated a new topic for me.
3. **Accompany-** *verb.* to go with, attend, or escort  
ex: My friend will accompany me to the mall.

4. **Immense-** *adj.* large in degree or size; huge; vast

ex: The Big House is an immense stadium!

5. **Repress-** *verb.* to keep under control or restraint

ex: People often try to repress tears when they are in public.

# Curriculum words

6. **Pacing**- The speed an author writes a story- making sure not to go too fast or too slow.

Ex. The author paced the story well, including just the right amount of detail!

7. **Tone**- An author's use of words and style to convey his or her attitude towards and/or what the **author** feels about what they write about.

8. **Mood**- The overall atmosphere or 'feel' of the story itself. Different than the author's attitude.

9. **Voice**- the way writing sounds. Does it use authentic language? Does it sound *like* the author?

10. **Flashback**- when an author writes about something in the past that had a direct impact on another event

11. **Transition words**- words that help sentences, ideas, and/or paragraphs flow

EX: in addition to, furthermore, however, especially, unlike, besides, first/secondly/third, finally, above all, most importantly... (the list goes on and on!)

# Homophones

12. **Accept**- *verb* - to agree to something or to receive something

ex: Kay accepted the offer to go camping.

13. **Except** - *preposition* - to not include something

ex: I run outside, except when it is snowing.

14. **Affect** - *verb* - to influence

ex: Mark's science grade affected his soccer playing time.

15. **Effect** - *noun* - a result; something brought about by a cause (as in "cause and effect")

ex: The effect on Mark's playing time was because of his bad test grades.
